संस्कार युक्त शिक्षा द्वारा सर्वांगीण विकास,  
यही हमारा आधार , यही हमारा प्रयास I

You are aware that at JMV we nurture scores of seeds into saplings which blossom into flowers and fruit laden trees and spread the fragrance of the age-old values through the unique program 'Sanskar Samvardhan'. Under this program a plethora of activities are conducted as our earnest endeavor is to inculcate the values of love, care, respect for parents, grandparents, teachers, society and nature in their thoughts, feelings and actions. Nurturing values is a collective responsibility of parents, teachers and society as children learn by imitating what they see around.

In this regard, we solicit your support and co-operation. Let's collaborate for nurturing the values in our children to help them be successful, contributing and happy global citizens.

**Together let's give our children, the roots to grow and wings to fly.**

With best wishes,

(Anupma Bhardwaj)
