

## **School Biodiversity Programme**

Education Team from National Museum of Natural History visited Vidyalaya for the School Biodiversity Programme on 19 July, 2022. 50 students from classes VI to XII attended the session. Ms. Naaz Rizvi, Director, National Museum of Natural History addressed student members of Eco Club. Students also learned about Green Good Deeds and Climate Change. Plantation of saplings was also done. On 20 July, 2022 Green Pledge was administered in the school assembly. 2371 students took the pledge.
