INNOVATIVE SOLUTIONS: JMVIAN'S CLAIM TO GLORY

CBSE organised NATIONAL SCIENCE EXHIBITION 2022-23 to generate curiosity and develop scientific attitude among learners and encourage them to create and innovate responsibly. The exhibition was held from 7 February to 9 February 2023 at Lotus Valley International School, Gurugram. The theme of event was Technology and Toys. PARTH GUPTA (VIII JASMINE) and PRATYAKSH KAKARIA (VIII SUNFLOWER) of our Vidyalaya participated in the mega event that witnessed the participation of 465 schools in different themes and categories. The duo has claimed glory for the Vidyalaya by securing III POSITION in category I at NATIONAL LEVEL under the sub theme Advancement in Information and Communication Technology through their wonderful exhibit MINER HELMET that provides smart safety solutions to the miners. Our team competed with 33 teams from schools across the country in this theme and have been awarded a prize of Rs.3000/- . These students were guided by ATL Mentor Mr. Janmejy Kumar.
