

Feel the pain of others, Wipe their tears away, Work for the well-being of others, And blessings will come your way. Jain Bharati Mrigavati Vidyalaya has always been endeavouring vigorously to instill the qualities of charity, empathy and compassion in students. In alignment with this goal, every year students give away clothes and necessary articles to the needy. This year students brought exam kits to be given to the kids in Kanya Gurukul, Narela. Students of our Vidyalaya visited Kanya Gurukul on 15th February 2023 and handed over notebooks and stationery materials for the inmates. Also, notebooks and stationery items were given to an NGO named Brahmaand Jyoti. It was an enriching experience for the young JMVians who experienced the joy of giving.
